Outsmart the signs of aging by making Intellishade[®] part of your daily skincare routine. It's a three-in-one sunscreen, moisturizer and sheer tint that conceals, corrects and protects.

1. Conceals

- Intellishade[®] smart tint technology matches every skin tone, every time
- The mineral tint gives your face a healthy glow and helps to even out skin tone

2. Corrects

- ACS-456 works to reduce the appearance of fine lines and wrinkles and strengthen the skin's own natural defenses
- Clinical levels of the powerful peptide Palmitoyl Tripeptide-5 helps improve skin elasticity and firmness and activates the skin's own growth factors for increased collagen production
- Matte formula helps to minimize the appearance of pores

3. Protects

- An SPF 45 with UVA and UVB broad spectrum coverage is combined with an IPF (immune protection factor) for complete sun defense
- A micronized zinc oxide delivers maximum protection while maintaining a lightweight feel
- Formulated with a unique blend of antioxidants for added sun protection
